Dear Friends at First Baptist,

There are three main purposes that we in Word of Life Youth Ministries share with churches: evangelism, discipleship, and leadership development. I was recently able to train new leaders at a local church, and Bonnie is involved in discipleship ministry with children at our home church each week.

We also have so many great opportunities to be involved in evangelism. The pictures on the front of this note represent two of our biggest methods of sharing the Gospel with kids, teens, and families in our area: FasCar and Reverb!

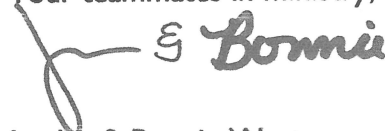

We had a great Reverb this past November. We had 1201 attendees from 46 churches in six states! As the Gospel was shared, we had 22 students make professions of faith, with many more being counseled throughout the night. THANK YOU for your prayers for this event, and for your financial support which allows us to do events like Reverb!

We've also finally been able to do two FasCar events with our new track! It's been a learning curve, but we're getting the hang of the new system. It's all about creating fun and well-run events, that will provide an enjoyable environment for racers of all ages to hear the good news of Jesus. THANK YOU for your prayers as we lead these FasCar events. We have another on 3/25 and several more throughout the spring.

Thanks to so many families and churches giving towards our special project, we now have the funding to purchase a complete set of Archery Tag equipment. THANK YOU! This equipment will be used at Reverb, but also as a part of evangelistic events in local churches throughout the year. It's a lot of fun, and churches are always looking for creative events that we can help them to run in their own communities!

THANK YOU for valuing the hearts and souls of people!
