ACCOUNTABILITY. COMMUNITY.
DISCIPLESHIP. MARCH 2023

Do you ever wonder if this is where you are supposed to be?

Everyone asks themselves that question at different points in time throughout their life... Whether it be because something didn't go the way they thought it would, or simply because they made decisions that led them down a different path. But in it all, I've found that God's plan

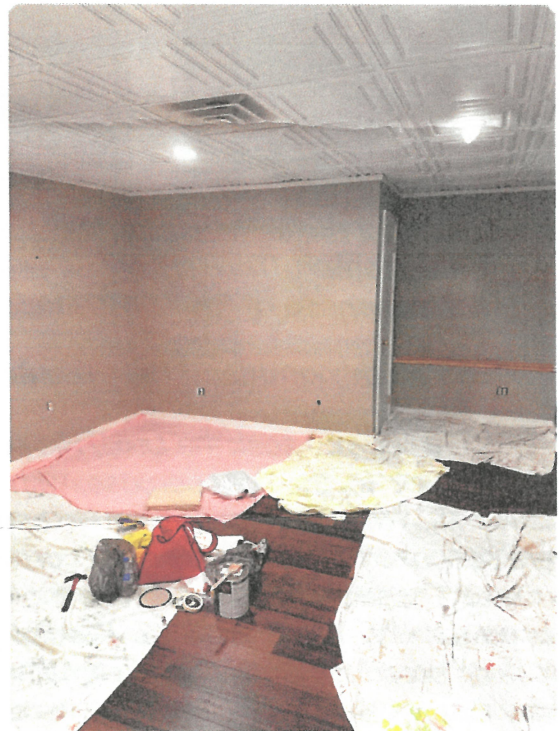

*always turns out better than ours. This verse continues to resonate in my mind as we move forward with planting The Refinery — — — —> **Many are the plans in the mind of a man, but it is the purpose of the LORD that will stand. (Proverbs 19:21, ESV)***

How can you be confident that you are exactly where you need to be?

*Because when you seek the Lord, His purpose will stand! He will put you in the right place, at the right time, for the right purpose, with the right people. That's what we have seen God do this month. We weren't sure when to begin our weekly Bible study, we weren't sure where we were supposed to meet, we weren't certain how frequently our Launch Team would be able to make it happen... But in just one month, we've seen our people thirst for 3 things: **Accountability, Community, & Discipleship.** As a result, we are now meeting weekly... breaking bread together, praying together, & enjoying the benefits of biblical community! We know that we are EXACTLY where we are supposed to be, and we continue to commit this church-plant to God because we know He has a mighty plan in store for Elkins, West Virginia in the coming days, months, and years!*
