The Burdette's

Thank You!

Thanks for continuing to support the work both prayerfully and financially

Psalms 100:4: Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.

Future

We look forward to the next steps we will take to move into our next phase of construction. The upstairs is still unfinished due to the need of fire sprinklers. We are hoping to find an alternate way of making the upstairs usable that will be safe and less expensive.

Invitation to Celebrate

We are blessed to be able to host the Annual Mid-Atlantic Baptist Association meeting this year. We will be dedicating our building on Friday evening April 12th at 8:00 pm after the annual missionary sermon and will be broadcasting the service on Facebook live so that those that would like to celebrate with us will be able to attend. The facebook page will be Liberty Baptist Church. We hope that you will be able to share in this celebration with us!

To the Work

Though we are having a dedication service in April we have already been using the building for quite some time. Our services have been going well and even our Wednesday night is fairly well attended. We have had guests come to most services and hope that this will continue.

Building Blessings

It has been cold outside and warm inside. It is great having a new building that is well insulated from the cold and rodents! Financially the cost to operate the new building is less expensive than the older smaller building.

Thanks again for your continued support and for lifting this work up in prayer!
