

### What's Been Going On?

In the month of March, we have had many visitors to NYC. We spent many days with ministry partners as well as friends and family. We had a great visit with my dad, the pastor of our sending church, who came to visit with us, as well as, Bro Russell Knight. We took them around the city as well as spent time with them in Yorkville, showing them what we have learned so far. They got to see our people in the community, and the need for the Gospel, there in Yorkville.

Then, we were blessed for my mom to join my dad, at the end of his trip, and the boys had a great time with both grandparents. After they left to go back to Florida, we had a visit from Bro Zack Stringer and Joshua Marsh from Inwood BC, WV. Their church is a primary partner in ministry with us. They have partnered with our sending church to financially help Calvary BC in sending us to NYC. We also had a surprise visit for a day from Dave Shank and Chad Shoemaker from Grace BC, NJ. Their church is also a big partner for the RFG ministry as well as NYC. They both left with a huge heart for the people in the city.

As the month ended, we had a visit from one of our young adults from our sending church (Rachel Gillespie) who has a heart for missions. She came to visit us with the purpose to encourage us, but also for God to stir in her heart the need of more missionaries. Her parents are missionaries as well in the Gospel Flight Aviation ministry.

We took time to start saying our temporary goodbyes to our friends we had made over the last 3 months, but we intend to stay connected with them as much as we can.

April was a slow one. We spent time back in Florida processing everything. We took this month as a time to reflect and celebrate all that the Lord is doing. We started getting things for us to go out and start raising the partnerships we will need to plant the church in Yorkville, NYC.

**Praise Reports:** Praise God for the new ministry direction the Lord has called us to. The skate ministry plant in Orlando and Alaska are going well. Pray the Lord keeps moving and we keep walking by faith in His calling. **Thank you all who helped us on the funding of the survey trip.**

**Prayer needs:** **Pray for the support we will need to be permanently planting the church in NYC.** Pray for upcoming trips. Pray God sends more help

for me and my family. Also just pray for my family, guidance, doors to open, strength to walk through them, ministry partners and safety as we are on the road. All the people the Lord has been bringing our way, more financial partners.

**Financial needs:** We are currently still looking for more financial partners. We thank everyone that has supported us in our journey.
