Subject: Extend a Helping Hand – Partnership Opportunities for Our Church Community

Dear Co-Laborer in doing the Lord's work,

For 20 years, our clinic has been serving as a trusted source of essential healthcare services to those in need within the Martinsburg community. Our mission is "showing God's love by caring" for His people. We believe that everyone, irrespective of their financial circumstances, deserves access to quality healthcare, Matthew 25:35-40. To continue our mission and expand our impact, we are seeking partnerships with compassionate organizations like yours.

As our number of new patients are increasing God had already prepared us with expanded space to accommodate more patients and services. He made preparation in advance for what was needed. We are asking for your partnership with time, talent or treasures to provide the additional needed resources.

By becoming a partner with our clinic, your church can play a vital role in making a significant difference in the lives of those less fortunate. With your support, we can continue providing the underserved population with free medical care and consultations, diagnostic tests, medications, and preventive care services and spiritual care. Your partnership will help us maintain and equip our clinic rooms with the necessary supplies, ensuring our patients receive the care they deserve.

We have designed sponsorship packages to suit various levels of engagement. However, we understand that each church's capacity is unique, and we are more than willing to tailor sponsorship packages to accommodate your preferences and budget. Whether through financial contributions, One-time donation, in-kind donations, or volunteering, your involvement will have a lasting and positive impact on the community we serve.

To provide you with detailed information about our sponsorship opportunities and the associated benefits for your church, we have attached a sponsorship flyer to this letter. This flyer offers a comprehensive overview of the various sponsorship levels and their advantages. Additionally, you can find this information on our website at goodsamaritanfreeclinic.org/sponsor-us.

Please pray on it and let us know if you are interested in learning more or exploring how your church can get involved, please let us know your availability, and we will gladly arrange a meeting at your convenience.

Thank you for taking the time to consider this partnership opportunity. Together, we can extend our reach and make a lasting difference in the lives of our neighbors in need. We eagerly look forward to the possibility of partnering with your church and collectively bringing hope and healing to our community.
