June 2025

Building

What a busy month. So many things were accomplished on the building and we are ready for July 12-26, the dates that all the help is coming to erect a building for God's glory.

1. We had a great crew come and help us with the underslab plumbing and prep work for our pour.

2. The slab was poured. 87.5 yards of concrete went down in about 4 hours and was finished by early afternoon.

My sister who lived in Florida passed away and I was not able to be here for the pour, but 13 people from 6 different states jumped in and got the job done and our people made sure they were fed.

Financial Need

All the materials to get things completely roughed in have been

purchased. To this point we have spent \$163,000 on the building, not counting the initial architecture and civil engineering cost.

✳ With offerings that have come in this month we are only \$64,000 away from our goal of \$500,000 to pay for the structure. Praise be unto God and all he is using to make this vision become a reality.

Unfortunatley a tremendouse storm came and tore out all the reinforcemnet and damaged the plumbing, but once again God's people sprung into action. Randy Taylor came back and helped me fix the plumbing and the people of our church jumped in and got the reinforcement all back in order.
