What's Been Going On?

In May, we had the opportunity to travel for deputation. I was privileged to spend the entire month in East Texas, staying at Hughes Springs Missionary Baptist Church. During this time, I visited several churches, including Harvest Oaks Baptist Church, First Baptist Church of Duncanville, Austin Chapel, Sublett Road Baptist Church, Ebenezer Baptist Church, Greggton Missionary Baptist Church, Central Baptist Church, South Union Baptist Church, Hughes Springs Missionary Baptist Church, and Alvin Missionary Baptist Church.

While in the area, I was fortunate to be close enough to attend the graduation ceremony at the seminary in North Little Rock, Arkansas. Following that, my family and I traveled to Hope, Indiana, where we participated in a mission conference hosted by Brother Scott Bourland and Grace Baptist Church. We also had the privilege of presenting in Columbus with Brother Chuck Kennedy.

In June, we traveled to Arkansas and had the privilege of staying with Faith Baptist Church in North Little Rock. During our time there, we visited several churches, including Pleasant Valley Missionary Baptist Church, Oak Grove Baptist Church, Center Fork Baptist Church, and North Fork Baptist Church. We also had the opportunity to attend the National Meeting in Springfield, Missouri, where we had a wonderful time. It was there that our family was approved as a recommended missionary by the ABA to plant a church in Manhattan, NYC.

Immediately following the National Meeting, we made our way to Plainfield, Indiana, for City Reach. As part of our outreach, we organized an event at the local skate park, where we were able to make a meaningful kingdom impact. Recently, I've heard that Refuge Baptist Church has connected with several skaters in their community. Whether or not these connections stemmed from our efforts, it is clear that the Lord is opening doors for their church to make a difference in the skateboarding community in Plainfield.

Praise Reports: Praise God for the new ministry direction the Lord has called us to. The skate ministry plant in Orlando and Alaska are going well. Pray the Lord keeps moving and we keep walking by faith in His calling. Thank you for all who have partnered with us.

Prayer needs: Pray for the support we will need to be permanently planting the church in NYC. Pray for upcoming trips. Pray God sends more help for me and my family. Also just pray for my family, guidance, doors to open, strength to walk through them, ministry partners and safety as we are on the road. All the people the Lord has been bringing our way, more financial partners.

Financial needs: We are currently still looking for more financial partners. We thank everyone that has supported us in our journey.

If you feel lead to give towards our ministry needs, please send checks to:
