Dear Friends at First Baptist,

This has been a summer of change! Here are just a few of them:

- We moved! That's a big **CHANGE**. We moved to a new house in Middletown, about 14 minutes from where we lived in Harrisburg for the last 10 years. It's been great for Justice (his two best friends live in the neighborhood, and he can ride his bike around safely) and for Bonnie (she is our church's secretary, and we're now just around the corner from church) and we love our new home
- Another part of our move was the **CHANGE** of fixing up our old house to sell it. It was a lot more work than we expected, but we were blessed by several friends with their effort and expertise!
- A year of school **CHANGE**. Bella graduated at the beginning of the summer and is now attending the Word of Life Bible Institute in New York. Justice finished elementary school and is now a middle school student at Mount Calvary Christian School.
- Right before leaving to spend a week teaching campers at Word of Life Florida, I was asked to fill in teaching at Word of Life Ranch in New York. It wasn't in our plans, but we were able to make that **CHANGE** and fill in the gap. It was a great privilege to speak at both camps!
- We have also seen a **CHANGE** to our support team. We have added several new supporters and should soon hit 100% of our funding! We have never reached 100% and it wouldn't be possible without you, our faithful supporter! THANK YOU!

As we enter the fall season, and get back to the "normal" part of our ministry schedule, we would appreciate your prayers for several things:

- Pray for our REVERB evangelistic event on 11/7. We are expecting a huge crowd, and we have a lot of details to work out beforehand. Please pray for many students to attend who need to hear the Gospel.
- Please pray for several upcoming opportunities. We are starting another year of hosting a small group in our home and Bonnie will soon be leading a Bible Study for fellow Word of Life missionary wives.

Your teammates in ministry,

 **Bonnie**
