Hope Mission

August 2025

Building Progress

The drywall has been hung and finished. Now our people are working to get the painting complete. This will allow us to move on to flooring and other finishes.

We were also blessed to have the electric brought to the building, our water pit placed, and the tap completed for the sewer. This sets the stage for September 5th and 6th, when a group from Kentucky is coming up to help us run the water and sewer from the building to make the connections.

There are several people lined up to come and help in September with electrical, plumbing, and other finishes. By the end of September, we should be very close to getting a final inspection on the building.

A great matter of prayer at this point is the site development work (parking lot prep, curbing, drainage, water retention, sidewalks, and paving). I have a meeting on September 2nd, that I pray will be our answer. I am hoping that a well-respected local contractor is going to give us a bid within budget to finish the whole thing. Please ask God to guide us.

Financial Blessings

Our goal was to raise \$500,000 for this building. Last month we were only \$25,000 away from that goal. I don't have the updated numbers through August, but I am sure we got even closer to meeting that goal. God is truly amazing.

Spiritual Blessings

We have had first time visitors 9 out of the last 10 weeks, many of these have returned for a second or third visit. The building process has been good and necessary, but I look forward to getting my full attention back on ministry.
