Dear Churches of the American Baptist Association,

As we look ahead in anticipation of all that 2026 will hold, we march ahead trusting God and praying that this is the best year yet. It is with great joy that I share the great reports from the missionaries. For December, the missionaries report **594 professions of faith and 44 baptisms**. That brings our totals for this associational year to **3,193 professions of faith and 325 baptisms**. Please join me in praying for 6,000 professions of faith for this associational year!

I am once again in awe of what God has done through the generous giving of His people. Because of the sacrificial giving and great effort of the churches of the ABA, we have received **\$305,203.60** for the Thanksgiving Missions Offering through the end of December. We believe there will still be some offerings coming in during January. I want to extend a hearty thank you to all the churches and individuals who gave offerings to support this goal.

I did enjoy some much-needed rest, some crappie fishing, and time spent with family this month. For the last month, I have been dealing with a pinched nerve in my neck that has affected the use of my left arm. I would ask that you pray for me that I would recover soon because of an upcoming trip I have to El Salvador. During some downtime, I was blessed to preach, present, and worship with Promise Land MBC in Hamburg, AR.

We intend to send out the 2026 Missionary Recommendation Forms by the end of January. If you and your missionary have not received it by then, or if you have any questions, please feel free to contact us. Those forms will be due at our office by April 24, 2025.

In Him, Through Him,
 Justun Coburn
